### COMMUNITY DEVELOPMENT & PLANNING

CITY-COUNTY BUILDING • ONE MAIN STREET • FORT WAYNE, INDIANA 46802

29 June 1977

Common Council  
City of Fort Wayne

Gentlemen and Mrs. Schmidt:

In order to effectively administer the Summer Clean-Up Program in the six targeted neighborhoods, it is necessary to secure rental agreements for the use of pick-up trucks. Over 14 different vendors were contacted by the Department of Community Development and Planning and the Purchasing Department for this purpose. However, only two vendors, Bohren Transit and Robert's Rental had trucks available. Therefore, five trucks were rented initially. Purchase order #4-00815 has allowed us to rent four pick-ups from Bohren at \$67.50 per week per truck, plus 13¢ per mile. Purchase order #4-00817 has allowed us to rent one 14' flatbed for \$98.00 per week plus 13¢/mile.

We have placed restrictions on these purchase orders so as to not exceed the \$2,000.00 limit. We were hopeful that we would be able to secure trucks on a loan basis from various community businesses. (We are currently using two trucks at this time on a "free loan" basis from Pearson, Inc., and the Air National Guard.)

However, at this time it does not appear likely that we will be able to secure "free loan" vehicles. Thus, this ordinance for approval of an expenditure in excess of \$2,000.00 is required.

These trucks will be used to transport tools and for the collection of trash and materials from sites within each of the targeted neighborhoods. It is expected that each truck will accumulate close to 350-400 miles during the period of the program.

Sincerely,

  
C. James Owen  
Director
